This is a comprehensive and rigorous course. Twenty-nine chapters provide thorough review of all the math you need for the ACT. The course contains all the text from the 400-page book ACT Math Prep Course, so it is fully self-contained. Course Ratings are calculated from individual students' ratings and a variety of other signals, like age of rating and reliability, to ensure that they reflect course quality fairly and accurately. ACT Math test prep books and practice questions are not enough, and classes and tutors are too expensive. That's why we created our ACT Math test prep course - to offer the perfect balance of affordability and effectiveness that has always been missing for students preparing for the ACT Math test. ACT Math Prep Course presents a thorough analysis of ACT math and introduces numerous analytic techniques that will help you immensely, not only on the ACT but in college as well. Many of the exercises in this book are designed to prompt you to think like an ACT test writer., Act Math Prep Course.
