

# Download An Unhurried View Of Copyright

This chapter would be a great introduction to non-law students or professionals who need or want an introduction to American copyright law. Kaplan's lecture is readable and easy to follow; it should make for an easy introduction to historic copyright law. The second lecture is a typical review of the 1909 copyright act and its effects. An Unhurried View Of Copyright book. Read reviews from world's largest community for readers. Format Paperback Subject Copyright Publisher The Lawbook Ex... Read reviews from world's largest community for readers. In this widely cited book Kaplan details notions of copyright and its infringement in order to determine the criteria that should determine public policy concerning copyright protection. Invited to give the James S. Carpentier Lectures for 1966 at Columbia University, Professor Kaplan chose the provocative subject of copyright. You just clipped your first slide!
