You will receive an email whenever this article is corrected, updated, or cited in the literature. You can manage this and all other alerts in My Account. This is a brilliant, moving, comprehensive exploration of what consciousness (and unconscious states) encompass. It is a complex personal exploration as well as one which includes many variations of scientific (and not so scientific) studies in the history of anesthesia. Anesthesia: The Gift of Oblivion and the Mystery of Consciousness 1st Edition is a groundbreaking book by Kate Cole Adams. A must read for patients' anesthesiologists and, most importantly, surgeons. Kate Cole Adams has done an important service for patients. That is, she has taken a complex and politically charged topic and broken it down into simple, understandable terms., Anesthesia The Gift Of Oblivion And The Mystery Of Consciousness.
