

Download Arctic Adventure My Life In The Frozen North

Wow. This is a wondrous account of his life in the far north. It has it all. Life, death and near death adventures. Mr. Freuchen is an incredibly inspiring man. Such a life lived. He is so adventurous, and filled with such gratitude and love. I am indeed fortunate to have stumbled across this pioneer in an article from the New Yorker. This feature is not available right now. Please try again later. In 1910, Freuchen and his close friend, the famed arctic explorer Knud Rasmussen, founded a settlement and trading post among the Greenland Inuit at Thule, only 800 miles from the North Pole. Freuchen lived there for fifteen years, adopting native ways of life, and married an Inuit woman and had two children. How the Arctic Adventure starts This book follows the exploits of Peter Freuchen and his best friend and renowned arctic explorer Knud Rasmussen through the frozen lands of Greenland. In 1910 they decide to leave Denmark and establish a trading post in Thule, Greenland, just 800 miles from the North Pole., Arctic Adventure My Life In The Frozen North.
