

Download Attention Dispatches From A Land Of Distraction

A few years ago, my wife Crystal and I were cleaning out our garage in Truckee when we came across an old notebook of mine from when I lived in Ireland at age 20. Joshua Aaron Cohen (born September 6, 1980) is an American novelist and story writer, best known for his works *Witz* (2010) and *Book of Numbers* (2015). The subject of attention is everywhere in publishing these days, spanning disparate genres from self help to satire to fiction. *Reports From The Boer War*, by Edgar Wallace, free ebook, *Attention Dispatches From A Land Of Distraction*.
