

Download Beauty And The Beast An Adult Fairytale Romance Once Upon A Spell

Beauty and the Beast by Vivienne Savage is an exquisitely written version of the classic fairy tale. The writing is smooth and descriptive with vivid characters and heart pumping emotions. I have always liked the fairy tale about the beauty, and the beast, and this adult version is perfect. I say adult version only because of the moderate violence and the one sexual encounter. This is in no way as explicit as what is on the market, but it is an age 17+ fairy tale.
