Beyond the Best Interests of the Child [Joseph Goldstein, Anna Freud, Albert J. Solnit, Dorothy Burlingham] on Amazon.com. *FREE* shipping on qualifying offers. Beyond the Best Interests of the Child Beyond the Best Interests of the Child book. Read 2 reviews from the world In 1973 Beyond the Best Interests of the Child challenged this biological emphasis. The first volume of a trilogy, the book was a collaboration among a law professor (Joseph Goldstein), a child analyst (Anna Freud), and a child psychiatrist (Albert Solnit). While this book endorses some significant points of view regarding children's rights, it raises concerns as well. The reviewer discusses some of the problems and implications involved in translating into practice the principle of maximizing the child's opportunity for being wanted and for maintaining continuity in a relationship with a psychological parent., Beyond The Best Interests Of The Child.
