The chapters of the Blue Exorcist manga series are written and illustrated by Kazue Kato. The story revolves around Rin Okumura, a teenager who discovers he is the son of Satan born from a human woman and is the inheritor of Satan's powers. Synopsis Setting. The world of Blue Exorcist consists of two dimensions, attached to each other as a mirror and its reflection. The first is the material world where humans live, Assiah (???), and the other is Gehenna (??? ? ??? ?), the world of demons, which is ruled by Satan. Blue Exorcist was very hyped when it came out, for two reasons. One being the only thing most people care about, the pretty colors. The animation is very good compared to most other anime which are cutting their budgets because they are just making cheap promotions of the source material. More Blue Exorcist conspiracy theories! I apologize, first thing for this "Wall-O-Text"™, anyone who knows me reasonably well knows I have a lot of thoughts that turn into mountains of words., Blue Exorcist Vol 2.
