

# Download Burned A Story Of Murder And The Crime That Wasnt

Edward Humes's book, *Burned: A Story of Murder and the Crime that Wasn't* offers a deep dive into the mythology that for decades, in the American justice system, has passed for fire investigation science. Of necessity the story is too steeped in the minutia of fire forensics to ever be compelling reading. I love all of Humes' books, especially true crime. This one was no exception. A tragic story of a woman convicted of killing her 3 small children by setting the house on fire. Bücher (Fremdsprachig) Wählen Sie die Abteilung aus, in der Sie suchen möchten.
