

Download Cinema Panopticum

Thomas Ott, né le 10 juin 1966 à Zurich, est un auteur suisse de bande dessinée, d'expression allemande. Most of the objects displayed in "House Of Wax" are the remnants of a largely forgotten popular exhibition known as Castan's Panopticum. Founded in Berlin in 1869 and lasting until 1922, Castan's was a museum its German contemporaries described as an "Allesschau," a "show of everything." ?????? ??
