From the bestselling author of The Lamb's Supper and Signs of Life comes an illuminating work that unlocks the many mysteries of the Catholic sacrament of the Eucharist. Long before the New Testament ...In Consuming the Word: The New Testament and the Eucharist in the Early Church, Dr. Scott Hahn undertakes an examination of some of Christianity's most basic terms to discover what they meant to the sacred authors, the apostolic preachers, and their first hearers. Moreover, at a time when the Church is embarking on a New Evangelization he draws lessons for Christians today to help solidify their understanding of the why it is Catholics do what Catholics do. It's a love letter to the New Testament, both as the early Christians understood those words and as we do now, the Scriptures, the Eucharist, the liturgy, and the Church hierarchy. He constantly cites the Bible, saints, and the Catechism. This will be worth rereading.
