FOR IMMEDIATE RELEASE: We're FIRED UP to announce our fifth Skillshare class, "Design Like Draplin: 21 Tips for Speeding Up Yer Design Workflow" is OUT NOW and class is in session! Some of you might be familiar with A Continuous Lean, and if you are, you'll know about their "From the desk of..." feature. It's basically pictures of various peoples desk spaces. 1. Tell us about yourself! How did you start your ceramics & knitwear business? I'm Mikayla Houchell, but I really go by Mik. I am a third year industrial design student at UC and I have a minor in fine arts where I am trying to focus my time in ceramics., Draplin Design Co Pretty Much Everything.
