

Download Fun Stuff Cupcakes

Cupcakes – The Original Cupcakes Shop. Founded by best friends Heather White and Lori Joyce in 2002, Cupcakes bakes their products from scratch and uses preservative-free, basic ingredients, offering customers fresh batches of yummy goodness daily. Make your celebration special with Wilton decorating tips and techniques. Create beautifully decorated Wilton cakes, cookies, cupcakes and candy with unique ideas and step-by-step instructions. Shop our large selection of bakery supplies and cake decorations. 38 comments for Baking in Bulk » I will be making about 200 cupcakes for a wedding here soon and it's my first event. With the work schedule I'm working around and the fact that the event's out of town AND I'm in the wedding, I really have no choice but to bake and freeze cupcakes ahead of time. These cupcakes make an impressive presentation. For sure. But they are also somewhat impractical. I was helping a friend who was baking for a competition and I really, really wanted her to win., Fun Stuff Cupcakes.
