

Download How Not To Get Pregnant

Talk to your doctor or health care provider about the best way not to get pregnant. Your birth control choices are part of your overall physical, mental and emotional health, so you should include your partner and your doctor in any discussions and decisions. When you want fun and freedom more than you want a baby, you need contraception. But it's not so simple. Nearly 75 percent of women who don't want a baby have had unprotected sex and 54 percent ...
