Sustainable Seed Company, founded in 2008 is both the passion project and mass preservation effort of John Fendley (aka “Farmer John”). Concerned and confused that many vegetables he remembered from childhood were no longer propagated, sold, or even grown anymore John set out to find a way to protect and share rare heirloom seeds. Find the perfect internship, apprenticeship, WWOOF experience or seasonal job at farms, organic farms and sustainable living centers throughout the world. Sustainable living is fundamentally the application of sustainability to lifestyle choice and decisions. One conception of sustainable living expresses what it means in triple-bottom-line terms as meeting present ecological, societal, and economical needs without compromising these factors for future generations. Nonprofit applications to participate in the 2019 Give! Guide campaign are now open through April 30 — apply here!
