Es ist eine ungewöhnliche Ausstellung mit der Susanne Pfeffer ihr Debüt als neue Kuratorin in den KW Institute for Contemporary Art feiert. Joe Coleman, who spends months and even years working on a single painting, has described his process as an -internal dig.- His complex, obsessive excavations, which dive into the often violent histories and biographies of subjects like Osama Bin Laden or Joan Collins, certainly create anEröffnung: Samstag, 26.05.2007, 17 – 22 h. When I start a painting I have no idea how the whole image is going to be. But that's what's exciting to me., Joe Coleman Internal Digging.
