Travel with kids needn't be a hassle. In fact, it can be one of the best experiences you have as a family. The key ingredients to a smooth family vacation when traveling with kids are to pay attention to their needs, and find the right balance between rest time and activities..Before we left on our first trip I was very timid. If we went to the playground I would hide behind my mom's leg instead of playing with the other kids and I wouldn't say what I wanted to. During the trip, I realized that if I didn't talk to others, I wouldn't make any friends.Loved loved loved my Intrepid trip in Thailand – from BKK up to Chaing Mai. Our group leader was a legend and she made sure we had the best experience and all with a great sense of humor (we had a couple of people whose travel agents hadn't mentioned you might be eating Thai food :-0).Free Disney Downloads - Travel Journal, Printables, Luggage Tags, Packing List, School Absence explanation letter, Stroller Tags and more, Kids Travel Journal My Trip To Panama.
