Of the thousands of national parks scattered around the world today, Banff, created in 1885, is the third oldest and Canada's first, while adjacent Jasper was only 22 years behind. Lake Louise is what makes Banff National Park the phenomenon it is, an awe-inspiring natural feature that is impossible to describe without resorting to shameless clichés. British Columbia is bordered to the west by the Pacific Ocean and the American state of Alaska, to the north by Yukon Territory and the Northwest Territories, to the east by the province of Alberta, and to the south by the American states of Washington, Idaho, and Montana. A traveller's guide to the Rocky Mountaineer... In 1990, Canada's national rail operator VIA Rail sold off its Rockies by daylight scenic train to a private company called Rocky Mountaineer Vacations, who renamed it The Rocky Mountaineer., Lonely Planet British Columbia The Canadian Rockies Travel Guide.
