THE INSPIRATION: Best hikes in Bryce Canyon National Park. I am in Bryce Canyon NP, hiking among the hoodoos. The national parks in the United States have so many fantastic hikes (read more posts about hikes I've done here), and I was looking forward to hiking the Narrows and also canyoneering in Zion National Park after Bryce, but there is ...One of a herd of mountain goats we stumbled upon... I haven't planned for Zion's majesty. Even after just visiting Arches, Canyonlands, and Bryce National Parks, I was unprepared for how Zion's grand introduction would at once sweep me off my feet and show me what it means to have reverence for nature. Kings Canyon National Park is an American national park in the southern Sierra Nevada, in Fresno and Tulare Counties, California. Originally established in 1890 as General Grant National Park, the park was greatly expanded and renamed to Kings Canyon National Park on March 4, 1940. Grand Canyon National Park, located in northwestern Arizona, is the 15th site in the United States to have been named a national park. The park's central feature is the Grand Canyon, a gorge of the Colorado River, which is often considered one of the Wonders of the World., Lonely Planet Zion Bryce Canyon National Parks Travel Guide.
