With a quiet, unassuming elegance, Canadian-Chinese author Judy Fong-Bates sets the scene for her highly applauded debut novel, 'Midnight at the Dragon Cafe'. Perhaps this story touched me more acutely than most of its readers, as it called to mind what my father and his parents must have experienced during and after their immigration from Hong Kong to a little town in Canada in the mid-1950s. Poignant in its simplicity and yet weighty in its inner complexities, 'Midnight at the Dragon Cafe' explores many social issues of the time, along with the disappointments, the pride, the sacrifices, and the triumphs of those who immigrated to Canada in search of something "better". Compelling and well written, Fong-Bates stunning first novel deserves a heaping spoonful of praise. Do you want to remove all your recent searches?
