

Download Murder Go Round A Witch City Mystery

Murder Go Round is the fourth book in the Witch City Mystery series. This is only the second one that I have read, and I can honestly say I feel this works well as a standalone. There is plenty of background information about the characters, so I did not feel as if I was left in the dark at any point. Murder Go Round is easy to read, and I like the setting of Salem, Massachusetts. While Murder Go Round is the fourth book in A Witch City Mystery series, it can easily be read alone.
