

# Download My Prison Without Bars

My Prison Without Bars is Pete Rose's autobiography, published by Rodale Press on January 8, 2004. In the book, Rose finally admitted publicly to betting on baseball games and other sports while playing for and managing the Cincinnati Reds. He also admitted to betting on Reds games, but said that he never bet against the Reds. In this autobiography, My Prison Without Bars by Pete Rose, Pete picks his own mind trying to tell his life story. The book picks up when he is about six years old, and he tries (yes, tries) to keep the book in chronological order leading up to present day when he makes his case to be reinstated into baseball. The title of this book, MY PRISON WITHOUT BARS, appears on a background of solid red, perhaps as a nod to the team on which Pete Rose earned his fame and infamy. My Prison Without Bars [Pete Rose, Rick Hill] on Amazon.com. \*FREE\* shipping on qualifying offers. Pete Rose holds more major league baseball records than any other player in history. His old-fashioned work ethic turned his great talent into legendary accomplishments. Rose is also a lifelong gambler. For the past 13 years, My Prison Without Bars.
