Open For Business Tales Of Office Sex Epub Books Feb 24, 2019 - C. S. Lewis Media Now Including Hgtv Food Network Tlc Investigation Discovery And Much Moreget This From A Library Open For Business Tales Of Office Sex Alison"Open for Business: Tales of Office Sex" edited by Alison Tyler is a short erotic anthology of twenty-two illicit stories featuring office politics in naughty scenarios. Many of the stories focus around themes of power play and various types of discipline as one might expect. All the stories are unique and written with their own brand of erotic fever from intellectual copulations to downright raunchy romps with a few added twists to add an element of surprise."Reading Open for Business: Tales of Office Sex took me back to college, when I worked in the Payroll office and had the pleasure of sharing my workdays with a guy named Tim. He was the kind of man who was sexy and really didn't know it -- he was oblivious to the fact that every move he made was dripping with sensuality, that every word out of his mouth made me want to fuck him silly. Even the way he manhandled that stapler was enough to make me weak in the knees."Reading Open for Business: Tales of Office Sex took me back to college, when I worked in the Payroll office and had the pleasure of sharing my workdays with a guy named Tim.
