

Download Orthodontic And Surgical Management Of Impacted Teeth

The final chapter addresses complications and adverse sequelae, while acknowledging that inappropriate treatment of impacted teeth is a principal cause of litigation in orthodontics. Drs. Kokich and Mathews analyze each unfavorable outcome and offer diagnostic and therapeutic advice that avoids the problem — e.g., do not ligate impacted teeth and use judicious bone removal during the uncovering. Download PDF Orthodontic and Surgical Management of Impacted Teeth.. Free PDF Download of Dental Book. Best Dental Library for Dentist... Each chapter focuses on a specific impacted tooth and how it can be surgically uncovered and orthodontically moved. The book also presents a chapter on failed cases, explaining what went wrong and how to prevent such negative outcomes when treating similar cases. Ideal for any dental practitioner who treats impacted teeth, this comprehensive and up-to-date book is a fitting legacy for Dr Kokich, whose impact within the field of orthodontics will be felt for years to come.
