

Download Our Higher Calling Rebuilding The Partnership Between America And Its Colleges And Universities

Our Higher Calling Rebuilding the partnership between America and its colleges & universities. With a clear-eyed sense of challenges and failings in our colleges and universities, Thorp and Goldstein also show the elements of meaningful strategies to address demographic, technological, and other changes."--Peter Grauer, chairman, Bloomberg L.P. Our Higher Calling: Rebuilding the Partnership between America and Its Colleges and Universities [Holden Thorp, Buck Goldstein] on Amazon.com. *FREE* shipping on qualifying offers. There is a growing sense of crisis and confusion about the purpose and sustainability of higher education in the United States. In the midst of this turmoil the process of rebuilding the partnership between higher education and the American public is well under way. For the two of us, not a day goes by without a discussion of at least one of the issues raised in this book. More broadly, there has never been more commentary about higher education in the popular press, and policymakers—and even filmmakers—have gravitated to the challenges facing American colleges and universities., Our Higher Calling Rebuilding The Partnership Between America And Its Colleges And Universities.
