Dragon-like creatures appear in virtually all cultures around the globe. Nonetheless, scholars dispute where the idea of a dragon originates from and a wide variety of theories have been proposed. In his book *An Instinct for Dragons* (2000), anthropologist David E. Jones suggests a hypothesis that humans, just like monkeys, have inherited ...Ladon was the serpent-like drakon (dragon, a word more commonly used) that twined round the tree in the Garden of the Hesperides and guarded the golden apples. Green Arrow is a fictional superhero who appears in comic books published by DC Comics. Created by Mort Weisinger and designed by George Papp, he first appeared in *More Fun Comics* #73 in November 1941. Eastern dragons, such as in the Eastern Zodiac, come from different traditions and as such aren't technically the same monster as their Western counterparts; Westerners who encountered stories and images of Chinese *lóng* and Japanese *tatsu/ryuu* sprung on the similarities to the European dragon and couldn't think of anything better to call them., *Queen Of Dragons The Drakon Book 3*.
