

Download Quilt Big Bigger Blocks For Faster Finishes

This is one of my favorite go-to quilt patterns for a quick baby quilt. It works really well to show off a main 'focus' print contrasting with a variety of prints in scrappy four-patch blocks. I'm excited today because I've got a favorite baby quilt tutorial, perfect for 5" charm squares and showing-off cute fabric. It's also a skill-builder quilt, so if you're a new quilter, this will help you build your skills for piecing a quilt on the diagonal. I'll need a total of 81 so just over half to make, but they work up quick....and with May nearly half over, sewed up my rainbow scrap challenge blocks today also....Four 1 yard cuts of flannel (you can use different colors or all the same) A roll of masking or painters tape (you will only be using a few feet), Quilt Big Bigger Blocks For Faster Finishes.
