Atheism is, in the broadest sense, the absence of belief in the existence of deities. Less broadly, atheism is the rejection of belief that any deities exist. Nice list. I would have added “don’t mention Stalin or Mao being an atheist” to the moral superiority part, but that is a small thing. I would like to see you write a “how to talk to religious people without being pretentious” guide for atheists also. This is a list of atheists in science and technology. A mere statement by a person that he or she does not believe in God does not meet the criteria for inclusion on this list. cl, But a moral theory that refers to God’s perfect knowledge of morality that is NOT grounded in God is simply not divine command theory. According to such a theory, God would merely be a messenger of moral facts because of his omniscience, not the ground of morality itself., Religion For Atheists A Nonbelievers Guide To The Uses Of Religion.
