

Download Rob Vollmans Hockey Abstract 2014

Rob Vollman's Hockey Abstract 2014 [Rob Vollman, Tom Awad, Iain Fyffe, Tina Dubois, Joshua Smith] on Amazon.com. *FREE* shipping on qualifying offers. In the inaugural edition it was written that "statistical analysis is coming to hockey in a wave very similar to the one that hit baseball years ago Rob Vollman's Hockey Abstract is back and better in 2014. While modern advanced statistical hockey analysis stands on a mountain of complexity, Rob's work is best known for being expressed in clear, focused and applicable terms, and often presented in a humourous and entertaining way. Rob Vollman surprised me with a copy of a new book: Rob Vollman's Hockey Abstract 2014. It features Iain Fyffe, Tom Awad, team essays, and the use of more analytics to probe questions by many ..., Rob Vollmans Hockey Abstract 2014.
