

# Download Star Hero A Star Series Novella

Genre: Science Fiction Romance Author: Susan Grant Title: Star Hero Series: Star Series Disclaimer: I received a copy of Star Hero, a Star Series Novella, in exchange for a fair review. Star Hero is a stand-alone HEA novella in the world of the Star Series. It's not necessary to read this one in series order (it contains no spoilers) but if you would like to know the suggested reading order, Star Hero takes place simultaneously with Star Champion (previously titled The Champion of Barésh) and after "The Prince, the Pilot, and ...Loved Star Hero. Susan Grant is one of my favorite authors. The Star series are my "keepers" that I have re-read several times. Star hero is a Keeper. First he had to rescue her. Then he'd try to win her back. A Marine serving in the galactic frontier, Lieutenant Lukas Frank has a lot in common with a street dog named Bang-Bang; they both started off as scrappy orphans fighting to survive—and beat the odds., Star Hero A Star Series Novella.
