

Download State Census Records

Online indexes & finding aids for many non-federal state and territorial census records Funding provided by the State of Minnesota, the Legacy Amendment through the vote of Minnesotans on Nov. 4, 2008, and our generous donors and members. In addition to the federal census, many states have conducted censuses to count their populations. Various censuses were taken by the State of New York (usually at ten-year intervals). This table lists those censuses which the State Library has available for the use of on-site researchers., State Census Records.
