Stuff You Should Know, often abbreviated as SYSK, is an award-winning podcast and video series published by Stuff Media and hosted by Josh Clark and Charles W. "Chuck" Bryant, both writers at HowStuffWorks. The things a man acquires are an indication of his self-respect. Here are 50 things every man should own. How many can you tick off? 100 Skills Every Man Should Know. It's been fodder for many a heated debate among men for centuries. What skills should every man know? A vast amount of ink and e-ink has been spilled on the subject. Even though "Semper Virilis: A Roadmap to Manhood in the 21st Century" turned out to be a truly epic post (more like a short ebook, really), I actually had to greatly pare down many of the passages, especially in the "Training Program and Exercises" chapter., Stuff Every Man Should Know Stuff You Should Know.
