"The Billionaire's Proposal" was a terrific read! In fact I kept trying to put it down all night and couldn't sleep because I kept thinking of a solution to their problem, and of course then had to keep reading. So (LOL) be forewarned! My solution wasn't near as clever or rewarding as was Ms. James. The editing and storyline were great making an easy smooth read. The plot interesting and quite romantic, along with intriguing characters. Well done, I'll be looking for more of this author's books.
