

Download The Power Of Positive Dog Training

Since 1992, Puppy Power has gone beyond basic obedience training to help people fully understand their dogs, build a trusting relationship with them, and maintain consistent rules in order to get reliable, desired behaviours using scientifically-proven positive reinforcement-based methods. Positive training is not a scientific term. You will not find it in any scientific journals, and you will regularly hear it being mischaracterized by those who do not fully understand it. When we at Positively refer to the power of positive training or you hear Victoria describe herself as alt's a whole new world for dog training. The days of people thinking about training their dog as simply teaching them to sit, stay or down are thankfully fading. Instead, we're using the power of the ever-evolving world of behavioral science to change not only how we teach our dogs, but also how we Friends for Life Dog Training where we celebrate the power of positive training.
