In The Ultimate Guide to Prostate Pleasure: Erotic Exploration for Men and Their Partners, Charlie Glickman and Aislinn Emirzian make the case that straight "men who get into anal penetration are ...You need to be very aroused to find it. So, take your time and make sure you get really turned on by other types of stimulation first, and then go to find your Gspot when you are very aroused. Vaginal discomfort or ED, no orgasms, the intimacy of exploration—these are just 4 reasons to try sex without penetration. Silicone is hypoallergenic and has no smell, no taste, dishwasher safe, boilable, bleachable and full of fun! Remember, you cannot boil or put any toy in the dishwasher if it has a motor in it. Silicone products are some of the safest most durable toys on the market.
