This book is a travesty. This book is, quite frankly, an insult to all the victims, direct and indirect, of school shootings. School shootings are a fairly new epidemic, one of the most well-known being Columbine. This is just a preview. The entire section has 721 words. All the other versions of this song were shit so I just had to make this, for I fight for decent video quality! your welcome youtube! It's been well over a month now, since I've read "This Is Where It Ends" and it still hurts. It shouldn't have to hurt like this. A story about a boy with a gun holding his school hostage, shooting his teachers, his classmates... shouldn't be scary., This Is Where It Ends.
